before his application had an opportunity to receive consideration, a representative called at the Department from M. J. O'Brien, Limited, intimating verbally that his firm had been negotiating with Mr. Francis Parr for the purchase of this fractional area.

Following his interview, a communication was received in the Department under date of the 3rd instant, from M. J. O'Brien, Limited, Ottawa, wherein application is made to purchase the land. It is intimated by the applicants that they operate the "O'B" Ranch and that on the completion of the purchase of these quarter-sections which they are buying from the Parr Brothers, they shall own all of the land included by the bend of the river north of the road, which runs north of Sections 7 to 12, with the exception of the South East quarter of Section 20, the South East quarter of Section 21 and the West half of Section 28.

It was intimated by the representative of O'Brien, Limited, that if anyone other than their Company secures possession of this fractional area it will seriously interfere with their operations and they feel that if any application has been made to the Department for this land that it is made with the intention of a subsequent sale to his firm.

There is no statutory road allowance giving access to the land and it would seem the Department would be justified in making a sale of the property to M. J. O'Brien, Limited, at the rate of $5.00 an acre, the Inspector's valuation, subject to this firm filing with the Department evidence of ownership to the North East quarter and South West quarter of Section 20, Township 54, Range 2, West of the 4th Meridian, before the issue of patent.

Ex. N.W.T 20-54-2 W.4th M.

Mr. Martin.

Francis G. Parr, Junior, made application to purchase the land above described, containing 65.8 acres, claiming to be the homestead entrant on the North East quarter of the section. He claimed that if his application were granted, it would give his stock access to the river.

A sale was authorized at the Inspector's valuation of $5.00 an acre and Mr. Parr was notified the 13th October, 1920, of the permission granted, the sale being subject to his earning title to his homestead.

Under date the 29th July, 1929, a statement was sent to the Agent of Dominion Lands, Edmonton, showing the standing of the account, and he was asked to make an effort to secure payment of the indebtedness from Mr. Parr. The Agent communicated with the purchaser under date of the 13th September last, and on the 28th October following, Mr. Parr forwarded a letter to the Agent - "I am not in a position to complete payment on this land, and I therefore expect to forfeit any equity I may have in same".

By letter of the 5th December, 1929, the sale was cancelled and Mr. Parr was asked to govern himself accordingly.

An application was received from Mr. A. A. Heath to secure the fractional area as a second homestead, but

before

even though you may complete payment of the purchase terms, until you are in a position to file with the Department satisfactory evidence that the titles to the North East and South West quarters of the same section are shown in the books of the Registrar of Land Titles to be recorded in your name.

Either the whole of the purchase money should be forwarded to the Department of Dominion Lands, Edmonton, to whom a copy of this letter is being sent for his information, on or before the 15th February, 1930, or one fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of six per cent per annum. Overdue instalments will be subject to interest at the rate of seven per cent per annum.

Should a further survey be made of the parcel in question before the issue of patent, the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

The sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent, such land as may be required, not to exceed two and one half per cent of the total area, and likewise subject to the right of the Province to take such area as may be required for right of way in connection with drainage projects, not to exceed one per cent of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Commissioner.

OFFICE OF THE VICE PRESIDENT AND MANAGING DIRECTOR

The Commissioner of Dominion Lands,
Ottawa,

Dear Sir,-

Your file 1594724
Re fractional N.W.¼ 20-54-2-W. 4th Meridian.

We acknowledge, with thanks, receipt of your letter of 24th January, in which you inform us that our application for the purchase of the above fractional quarter section has been accepted, and quoting us a price of $5.00 per acre for 66.4 acres. We regret that we cannot furnish you, before February 15th, with the documentary evidence that you require regarding the ownership of the North-East and South-West quarters of this section. The purchase is going through satisfactorily, but complications have arisen because our Company has not yet registered in Alberta under the Companies' Act, which was passed last October, and we are now considering with our solicitors whether we should register our Company or form a subsidiary Company in Alberta. The matter is being given our urgent attention, and we trust that a short delay will not prejudice our rights to buy this fractional quarter section. If you so desire, we are prepared to pay the purchase money before the 15th of February, and we should appreciate your letting us know if this will meet your requirements for the time being.

Yours very truly,

M. J. O'BRIEN, LIMITED,

He was hit by a German bullet in the back while on active service and it is lodged in the muscles of the back near the spinal column in the dorsal region. He suffers from severe pain at the point where the bullet is lodged and at times is unable to do any work or anything that forces him to use his arms actively and with force.
